POSSES and BULLETIN on CASscoring

Please download or print the Bulletin. To make a change in Posse, write email to Bambino.

We ask shooters from abroad to bring a completed **RESIDENCE REGISTRATION FORM** which is available on the CASscoring website for information on Summer Range 2023 at the registration office when you arrive at the shooting range.

EXTRA T-shirts, mugs and other **merch** will be at the shooting range for you if you are interested in them.
